- Food scrap carts are available for no charge to businesses with a commercial kitchen.

ADDITIONAL SERVICES

Visit the website www.uvds.com for details on other services such as temporary debris box rentals, bulky item collection, special event services and more!

FOUR WAYS TO SAVE MONEY!

The less garbage you make, the smaller size garbage container you will need and the more money you can save!

Always recycle clean bottles, cans, paper and cardboard in the mixed recycling bin or blue cart instead of the garbage. Source separate the recycling and save even more!

Keep green waste and food waste out of your garbage. Instead, get carts or bins for green waste and small amounts of food waste or carts for larger volumes of food waste.

Save time and paper! Pay your bills online and opt for paperless statements. You also have the option to have the bill paid automatically every month.
